

God Sightings

- ▶ Watch the road signs as you drive today and choose one that best represents something about God's love for us.
- ▶ Describe a person you came into with contact today—at a rest stop, restaurant, or gas station—that showed kindness to you. Then discuss how a person's kindness can reflect Jesus.
- ▶ Watch for things in nature on your drive such as grassy meadows or waterfalls. Describe your favorite sighting of God's creation for the day.
- ▶ Describe the best item of food you ate today and then talk about how God provides for all of your needs, even when you're far from home.
- ▶ What was the most surprising thing you saw on the road today? Describe ways that God can surprise you every day, whether you're on vacation or at home.
- ▶ Listen to a worship CD on your drive today and talk about the ways we can worship God outside of church.
- ▶ As you drive toward home, write down the best memories of your trip and how you'll keep them stored in your memory. Then reflect on things you know about God such as forgiving, loving, or powerful and talk about how you can help each other remember things about how great God is every day when you return home.
