Youth meeting

Several thousand young adults will gather from South Africa, other African countries and beyond in a *Pilgrimage of Trust*:

- **Celebrating Christ, Source of peace and true reconciliation**
- **Praying, singing, being in silence and sharing faith**
- **Discovering people of different cultures and their lives**
- **Experiencing the Church as a ferment of unity and communion**
- **Accommodation with local families**

Do you live in Cape Town? ...We need your help!

Personal contact is an important part of this pilgrimage. The young participants from outside Cape Town will be accommodated in the homes of local people, in simple conditions. If you live within the hosting area of Cape Town – the area bounded by Table View in the north, Bellville and Durbanville in the north-east, Khayelitsha in the south-east – you can offer help through your local church.

Can you welcome two or more young people in your home for the 4 nights of this meeting? The young adults (18 to 35 years old) are pilgrims, not tourists. They can easily sleep on the floor. It is a warm welcome that counts, not the level of comfort. They need only a simple breakfast (e.g. Weet-Bix) and will then leave the house for the whole day to take part in the programme beginning with morning prayer (8 or 8:30am) in a local church. (If your own church is too far to walk to, either they walk to another participating church nearby or, if you prefer, you can transport them to your church.) The participants will receive lunch and supper at the central venue. After evening prayer there, your guests will return home around 8:45pm. On the final day (Sunday), there will be time to share lunch with those whom you are welcoming, if this is possible for you.

Offer help through your local church or at <http://www.taize.fr/article25583.html>

Are you 18-35?

- Then you can be a full participant in the meeting!

- *If you live outside Cape Town*, you need to register online (see opposite page).
- *If you live within the hosting area*, then you will be staying in your own home during the meeting. Because of this:
 - it is possible also for local 17 year-olds to register as full participants;
 - you do not register online, but through your local church.

In holding this meeting the Taizé Community is responding to a joint invitation from Church leaders: Archbishop Thabo Makgoba of the Anglican Church, Stephen Brislin, Catholic Archbishop of Cape Town, Presiding Methodist Bishop Siwa, President of the Council of Churches of South Africa, Rev. Dr. Llewellyn LM MacMaster, Moderator of the Uniting Reformed Church of Southern Africa, Revd. Dr. Gustav Claasen of the Dutch Reformed Church, and others have since associated themselves to the invitation.

The brothers of Taizé

The ecumenical Community of Taizé was founded in 1940 by Brother Roger in the small village of Taizé, France. Today the Community comprises about 100 brothers from over 30 countries. They make a lifelong monastic commitment and live entirely by their own work. The brothers seek the visible unity of Christians, and welcome young adults for meetings and retreats both in Taizé itself and, in cooperation with local churches, in cities around the world. Other stages of the *pilgrimage of trust* have been held in Johannesburg (1995), Calcutta (2006), Cochabamba - Bolivia (2007), Nairobi (2008), Manila (2010), Santiago - Chile (2010), Berlin (2011), Kigali (2012), Cotonou - Benin (2016), Basel (2017), Hong Kong (2018), Beirut (March 2019) and many other cities.
